NATURAL PAINT FOR INTERIORS

www.graphenstone.com

siena

Natural paint for interiors with a matte finish. Thanks to its mineral nature and graphene technology, Siena is ideal for projects with **bio-habitability** and **environmental sustainability** criteria.

Its **natural lime base** is breathable and allows the walls to breathe, while also providing you a greater **welfare and a comfortable feeling**.

Thanks to its formula with **graphene technology**, it is resistant to cleaning, providing a **high performance** and guaranteeing **perfect coverage**.

The Colours of the Earth

Pigments are available in 16 different colours.

Colours are approximate and may vary from the original colour.
